

The CINEGÉTICA AWARDS for FOREIGN HUNTING TROPHIES

These awards are given to those hunters, who following the ethics that have always ruled the hunting activity, obtain one deserving trophy. The judges follow these rules to award the trophies:

- 1.- The difficulty of the hunt.
- 2.- How well valued is the trophy in the hunting community.
- 3.- Quality of the trophy in its category.

These awards are given during the **CINEGÉTICA Show**.

To be awarded is mandatory to lend the trophy to be exhibited in **CINEGÉTICA**.

Only Spanish citizens and residents are allowed to enter.

All the trophies from the prior two years can be entered.

All the trophies from introduced species, or not totally wild species are not allowed.

The trophies will be measured by the C.I.C. or S.C.I. methods.

Three different categories will be awarded: Gold, Silver, and Bronze medal, for each of these continents: Africa, America, Asia, and Europe. Also there is a special category for trophies hunted with arch. Those medals will be awarded to the hunter and to the outfitter/guide. There will be one special award to the best trophy presented to the hunter and to the outfitter/guide too.

Entering on the contest means an acceptance of these terms.

The decisions of the juror are unappealable.
