

The CINEGÉTICA AWARDS for FOREIGN TROPHIES

These awards are given to those hunters, who following the ethics that have always ruled the hunting activity, obtain one deserving trophy. The judges follow these rules to award the trophies:

- 1.- The **difficulty** of the hunt.
- 2.- How well **valued** is the trophy in the hunting community.
- 3.- **Quality** of the trophy in its category.

- These awards are given during the **CINEGÉTICA** Show.
- To be awarded is **mandatory** to lend the trophy to be exhibited in CINEGÉTICA.
- Only Spanish citizens and residents are allowed to enter.
- All the trophies from the prior three years can be entered.
- **Not ACCEPTED:** All the trophies of introduced species, artificially fed or enhanced animals or not totally wild species.
- The trophies will be measured by the CIC (Europe trophies) or SCI (rest of trophies) methods.
- Will be awarded: Gold, Silver, and Bronze medal, for each of these continents: **Africa, America, Asia**, and **Europe**. And also a special category for the trophies hunted with **bow and arrow**. Those medals will be awarded to the hunter and to the outfitter/guide (if is exhibitor). There will be also one special award, sponsored by **NIKON**, to the overall best trophy, presented to the hunter and to the outfitter/guide.
- The decisions of the juror are unappealable.
- Entering on the contest means an acceptance of these terms
